May 6, 2020

Since 1968, the Olde Canal Days Festival brings families in our community together for fun, food and friendship. And every year, the health and safety of festival attendees, business owners, vendors, committee volunteers and city employees are always the top priorities in planning the festival.

With an abundance of care and caution, the 2020 Olde Canal Days Festival has been cancelled. The festival committee, along with local government officials and safety forces, strongly believe this is the best decision with the uncertainty surrounding the current public health situation.

All of us want to make sure next year's festival is the best yet and the committee is already planning for 2021. Look for more information to come and we hope to see you next year!
